

Welcome to Glass Recycling!

Thanks so much for choosing Recycling Works curbside service. As you prepare for your first pickup, here are a few things to keep in mind:

We accept ALL food-grade glass, including jars, beer bottles, wine bottles, and liquor bottles.

Labels can be left on bottles and glass does not need to be separated by color -- this will be done automatically at the recycling facility.

Please put clean glass only in your bin; remove lids, caps, corks, food, or residue of any kind before recycling.

Windows, lightbulbs, Pyrex, and glass not used for food/beverage cannot be placed in your bin -- the facility only accepts food-grade glass.

Congratulations on taking the plunge and signing up -- you're joining a community of over 1000 households that recycle their glass with us. If you'd like to learn more about our mission and stay up to date on news and events, visit us online at recyclingworksmt.com.

Have questions or comments? Call (406)-215-4650 or email sarah@recyclingworksmt.com.
